Dear Mr. Schulz:

We are herewith transmitting copies of all the emission information contained in our files relative to Calumet Containers. We hope this information is helpful to your efforts.

Also attached is an inspection report for tanks 3628, 3639, 3641, 3900 and 3905 located in Amoco's Hammond Tank Field.

If you have any questions concerning these matters please contact the undersigned.

Sincerely,

David L. Herrin
